Construction Claims Specialist

Chartered Quantity Surveyors
Specialising in Construction
Claims and Disputes.

A Quantity Surveying Practice specialising in construction claims and disputes

We specialise in the resolution of disputes and procurement of payments properly due under construction contracts, by triggering a commercial settlement between the parties or as decided through Adjudication.

We help parties to construction contracts resolve issues and disputes in the best timeframe possible and for the lowest cost. We pride ourselves in consistently achieving the desired result for our clients.

SOLUTIONS

We Plan, We Evaluate, We Deliver Results

We offer a wide scope of specialisms in the practice of construction claims including:

CONSTRUCTION CLAIMS QUANTUM

CONSTRUCTION CLAIMS PLANNING

DISPUTE AVOIDANCE

DISPUTE RESOLUTION

QUANTUM EXPERT REPORTS

Our Services

01 Construction Claims Quantum

We provide quantification of Construction Claims including:

- Extension of Time.
- Delay & Disruption.
- Breaches of Contract.
- Termination.
- Suspension.
- Valuation & Payment Disputes.

02 Construction Claims Planning

For companies looking to handle claims internally, but seeking assistance from a claims specialist, we provide planning of claims and defence.

03 Dispute Avoidance

Contract Risk Register - Our risk registers provide identification of risks and mitigation actions right from procurement stage.

Negotiated Settlement Agreement - We can evaluate your contractual position to identify viable routes to a negotiated settlement agreement.

04 Dispute Resolution - Adjudication

If a settlement agreement is not possible we can procure a legally enforceable decision from an Adjudicator through our Adjudication services which include the following:

- Management of the procurement of key evidence.
- Factual demonstrations to support your claim.
- Claim quantification.
- Drafting of all Adjudication submission in a claim or defence.
- Full representation and correspondence as required in the Adjudication.
- Subject to there being no conflict of interest we can also accept appointments to sit as the Adjudicator.

05 Quantum Expert

We are experienced in providing successful expert quantum reports for use in settlement negotiations and Adjudication. All reports are drafted by:

- A Chartered Quantity Surveyor.
- A Qualified Adjudicator.
- A Fellow of the Chartered Institute of Arbitrators.
- A Chartered Construction Manager.
- A Fellow of the Institute of Construction Claims Practitioners.

Why Work With Us

Integrity & Professionalism

We take pride in providing our professional services and independent advice ethically, honestly, and with integrity.

High Quality & Reliable Advice

We provide objective advice based on the available evidence so that the advice you receive is reliable and accurate.

Expertise & Competence

Our services are handled by skilled Chartered professionals adept in assessing, judging, and managing construction claims and disputes.

Co-operative Behaviour

We provide collaborative, independent services and advice aligned with your team's goals, emphasizing diversity and inclusion.

Efficiency

We pride ourselves in always meeting deadlines and providing accurate estimated time scales and costs for our services.

Client Confidentiality

All client information is kept strictly confidential and stored only on encrypted, secure servers.
